## 56) Is there anything else you would like to tell us about Paterson Court or the surrounding Centennial Hill Neighborhood?

- I love Patterson Court and the Centennial Hill Community, but there are changes that need to be made. I am concerned about the poor quality of water in Patterson Court. I have to use bottled water for cooking and cleaning. There is a rodent problem, my apartment was very dirty when I moved in, and I had to get a foul odor out of the apartment. I also feel like we need cameras. I also have a concern for the frequent flooding that happens in Patterson Court. I feel if these changes were met, we will be able to have a high quality of life.
  - The community safety has gotten better.
  - Need pest control and new appliances (stove/oven, heating unit).
  - Overall, the apartment needs to be updated. I just feel like it could be better. Every other complex has been updated except this one.
  - Need better units, parking, maintenance, and security.
  - Resident would like a bigger unit preferably a 2 bedroom.
- Residents in Patterson Court need information about programs that will assist with utilities, rent assistance, and resources for employment for people need it.
- Resident says there's an infestation of bugs that constantly eat him up especially at night. He needs a transfer ASAP.
  - Resident expressed concern about the camera footage not working and can only be accessed through MPD, roof is leaking on bed when it rains.
  - Ms. Sanders, the manager is very nice. It would be so much nicer if they stop all of the shooting. They keep the property up really nice.
  - Paterson court needs more faith-based activities. (Prayer meetings and bible studies)
  - They need to go ahead and do what they are going to do.

- Have lived here since childhood
- I think Paterson Court is not safe and not clean but is livable
- Too old, new housing needed
- It is a nice area, but I do not like when people hang out and the people hanging are not residents.
- Really wants to get a voucher so I can move from Paterson Court
- Please build a new housing community soon. Also, there is too much crime in the neighborhood.
- It would be helpful to get the minutes of meetings distributed. Paterson Court is damaging my spirit - was hopeful - but became discouraged because maintenance requests went undone. I have been ignored by the front office. There has been no follow-through.
- The apartments are very old and there is a lot of negative things about the Patterson Court Housing community.
- I haven't had any problems. I stay to myself. Police need to ride through more frequently.
- I've been here three years and I like everything except having a gas bill and issues with maintenance upkeep.
- The apartments are no good. There is mold, there is a pest (rat) issue. The grass is never cut.
- I don't feel safe outside my home.
- Quieter community. Convenient to university.
- The housing community needs bigger units.
- Placed in the same area, help others help themselves.
- When is the demolition?
- Daytime activities for seniors
